[Housing Committee - 17th Sept](#)

- Private Sector Housing Renewal 2018-2023 policy. The policy was extended whilst the Council fully reviews the private sector housing survey. This enables the Council to ensure that disabled facility grants are still available.
- An updated aids and adaptation policy was adopted.
- The Housing team is going to be [consulting tenants on the depooling](#) of rents and service charges. This is charging separately for rent and services. It will increase transparency, fairness and choice.
- A new electrical safety policy was adopted increasing the frequency of electrical inspections from 10 years to 5 years. A new gas safety policy was also adopted.
- The council agreed to accept a central government capital grant to purchase four properties for those on the Afghan Citizen Resettlement Scheme who are fleeing violence and conflict in Afghanistan.
- The grant also covers the development of four housing pods for temporary accommodation which means that homeless households can remain in the District close to their families and support networks.
- The council agreed to support a report on The Future of Council Housing which seeks to enable Councils to play a full role in provide housing and includes recommendations for fair funding of housing, reforming Right to Buy, removing red tape from existing funding, ensuring existing council homes are good quality and ensure Councils can deliver new and replacement homes. The Chair of the Committee agreed to write to the three MPs representing Stroud District.
- The Committee agreed to extend its Pets Policy which recently received Gold Accreditation from the RSPCA.
- New Homes Programme: The exchange of contracts has been delayed with the 3 units in Symn Lane car park (Wotton) as a result of outstanding works due by the contractor. Following exchange of contracts completion will take place.
- Revised programme for Bradley Street houses (Wotton) following an extended tender process. Anticipated to start before April 2025

[Environment Committee - 19th Sept](#)

- **New Antisocial Behaviour (ASB) Policy** which supports prevention and community involvement, early identification, supportive intervention, and enforcement. Approved by Environment Committee, and then subsequently by Community Services & Licensing Committee. SDC will focus on partnership work - with [SOLACE](#) , Counter Fraud and Enforcement Unit & One Legal. Community Wardens work closely with Neighbourhood Police teams, other councils and service partners.
- The new ASB policy recognises that the alleged victim should be at the centre of the case, treated with respect and dignity, regardless of whether the ASB is considered low, medium or high level.

More enforcement training for selected officers will be provided. Noted the CCTV stock around the district is old and needs an upgrade. Next steps include a new Case Management System and better information sharing with partners.

- **Budget Monitoring:** Revenue underspend of £116k (against budget of £7.4m) and capital overspend of £9k (for a budget of £9.3m). Largest item of spend is the Multi Service contract with Ubico which includes waste and recycling collection
- Feedback from various member/officer reports:-
 - **Stroud Town Regeneration Committee.** Merrywalks transport hub improvements planned for next year, to include secure bike lockers.
 - **Climate Leadership Gloucestershire.** Draft of the Gloucestershire Local Nature Recovery Strategy will go out for consultation in November.
 - **Stroud Valleys Project Board.** Many projects right across the district delivering big social and environmental benefits.
 - **Cotswold National Landscape.** [Annual review](#) just published which covers two important projects: Glorious Cotswold Grasslands, and Farming in Protected Landscapes.
 - **Gloucestershire Resource & Waste Partnership.** Stroud District continues to have the best waste minimisation and recycling rates in the county. Committee agreed to write to GCC to request information about possible costs for the incinerator that may be passed onto Districts due to incinerators being brought within the Emissions Trading scheme.
 - **Electric Vehicle charging points in car parks rollout.** SDC to install 26 charging bays in seven car parks. Mobilisation meeting with the contractor (Connected Kerb) took place in Sept. Officers keen to schedule works and commence installation as soon as possible. Two 7kw charging bays destined for the SDC Potters Pond car park in Wotton.
 - **Simpler recycling** - lots of changes afoot in the coming years, including collection of recyclable plastic film, extended producer responsibility, deposit return scheme for drinks containers.
 - **Air Quality** – update on SDC responsibilities – an Air Quality Strategy is in progress.
